

THE FUTURE OF THE INDUSTRY AND RECOGNITION FOR RETENTION

**WORSHIPFUL COMPANY OF ENVIRONMENTAL
CLEANERS**

**Presented by: Lorraine Larman, C.ENV.CL FBICSc , CMIOSH
Master of the Worship Company of Environmental Cleaners**

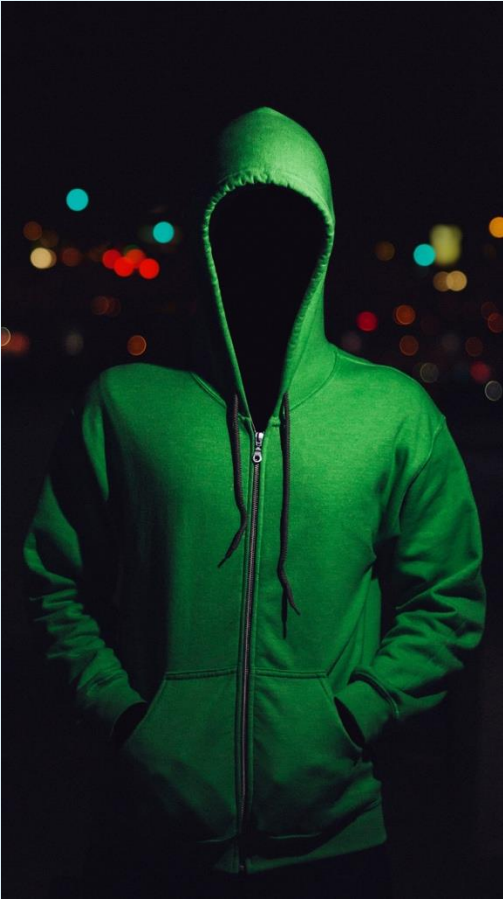

WELCOME

- Master of the Worshipful Company of Environmental Cleaners
- Fellow Member of British Institute of Cleaning Science.
- CMIOSH – Chartered Member
Institute of Occupational Safety and Health

IMPORTANCE OF OUR INDUSTRY

- The significance of the cleaning industry in public health and hygiene, valued at £69 billion
- Employing over 1.6 million people in the UK
- COVID, we had brief recognition as key workers, and due to our due diligence saved thousands of lives

THE ROLE OF THE NEW EMERGING GENERATION

● Fresh perspectives

The importance of new professionals in driving sustainability with their tech-savviness and environmental consciousness. New blood, new thinking. We must evolve as an industry

Impact and potential

The potential impact the younger member can make in transforming the industry, must be embraced especially with sustainability, AI, IT technologies, new cobotics

CONGRATULATIONS!

Youngest-ever
Chartered
Practitioner!
