THE SCARY BIT...

The air in our homes
can be between

2 to 5 times

more polluted than
the outdoors

TOXINS IN OUR HOMES

Household cleaners
and disinfectants

Fragrances in
products like
air fresheners
and laundry
detergents

Microplastics
in the air

Emissions from
paint, glue
and carpets

PFAS in
Non stick
cookware

THE MICROPLASTICS ISSUE

OUR HOME CLEANING PRODUCTS

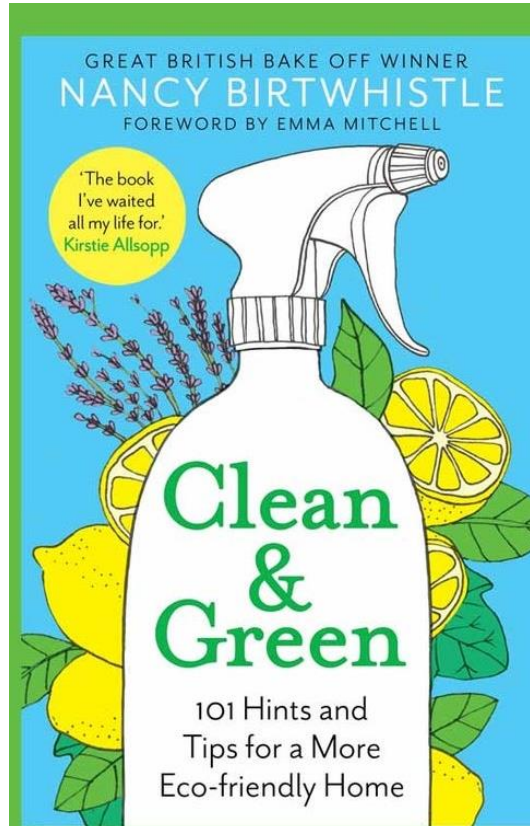

NATURAL SOLUTIONS

DIY RECIPES

REFILLS OR DISSOLVABLE PODS

NATURAL AIR FILTERERS

BEING 'GREENER' BENEFITS US ALL
